

CCSWR Strategic Goals – 2025-2028

Mission: The Canadian Council of Social Work Regulators provides a national structure for provincial and territorial social work regulatory authorities to act together as the voice, both nationally and internationally, on social work regulatory matters in Canada.

1. ACTIVELY SUPPORT AND PARTICIPATE IN INTERSECTORAL COMMITTEE GOALS

Objectives:

- * Reconfirm Committee representation of CCSWR President and Vice-President
- * Continue to discuss and collaborate on grant opportunities and national projects
- * Maintain awareness of and share information on approval of non-accredited social work education programs

2. FACILITATE COMMUNICATION RE INTERJURISDICTIONAL PRACTICE ISSUES

Objectives:

- * Continue collaborative work on electronic practice policies
- * Continue collaborative work on mobility/portability policies
- * Explore integration of existing resources, policies and research
- * Awareness of progress and trends related to interjurisdictional practice by other regulators in social work and other professions (i.e. exam use)

3. DEVELOPMENT OF AN ANTI-RACIST REGULATORY PRACTICE TOOL

Objectives:

- * Advance the development of an anti-racist regulatory practice tool for use by provincial regulators

4. COLLABORATE TO SUPPORT AND ENGAGE IN DISCUSSION REGARDING PATH TO RECONCILIATION AND IMPACTS OF REGULATION

Objectives:

- * Explore how current codes of ethics, standards of practice, resources and policies reflect goals of reconciliation
- * Explore current initiatives by regulators that reflect principles of reconciliation

5. EXPLORE OUR WORKING RELATIONSHIP WITH EXTERNAL STAKEHOLDERS INCLUDING GOVERNMENT PARTNERS

Objectives:

- * Explore with ASWB to further define our relationship.
